

Dear Sir, I am writing on behalf of one community group I belong to

We do consider the alcohol promotion by Coles & Woolworths stores to be unethical. Australia is awash with alcohol, with all its health issues, addictions, violence & murders. This promotion starting before last Xmas 2012 & is now into March. Enclosing 2 docketts from which we have an envelope adding up to 100 standard free drinks.

We understand the greedy profit motive but targets are vulnerable shoppers & children especially as the police are trying to make bottle shops & hotel reforms.

We're not a temperance movement, incidentally. Hope you can help put a stop to it.

Yours sincerely
