Good Morning [REDACTED]

My apologies for the delay in responding to you.

While the Department is continuing to work on your request, we were not in a position to provide you with a decision by the extended due date. While I cannot provide you with a definitive date at this time, I will be in contact next week to provide you with an update.

I would like to take this opportunity to advise you that due the circumstances the Department will not be imposing charges for this particular request.

Should you have any questions I can be contacted on the details

below. kind regards
