Hi [REDACTED]

I apologise for the error, due to current leave arrangements I am unable to confirm whether or not an 'undeliverable message' was received that would have alerted the Department to the error whereby attempts to rectify would have been made.

The extension that the OAIC provided the Department was under section 15AC of the Freedom of Information Act 1982, and did not require agreement from you as the applicant as the request was made after the initial due date had elapsed. As previously advised I will keep you informed as to when the Department will be in a position to provide you with a decision when I am able.

kind regards

[REDACTED]
